## SPONSORSHIP FORM

Outreach Moldova is an Irish registered Charity set up in 2000 to bring both medical and humanitarian assistance to severely disabled, orphaned and abandoned children in the Republic of Moldova.

When you sponsor a programme with ORM you can help provide hope for these children with disability, terminal illness and often their whole communities. You as a sponsor get a chance to stand up for the rights of a child in need. Your sponsorship will go towards education, medical and social care. Where possible it will go towards sponsoring a reintegration of the child back into their biological or extended family as part of our social care programme.

Your engagement and participation in our Child Sponsorship Programme will make a huge difference to the daily lives of the children in the care of ORM. Our commitment to the children and the life changing development programmes is dependent on your generosity. Thank you for taking the time to complete the sponsorship form with a generosity of spirit that will ensure the long term viability of these programmes.
